ELECTRICAL ENGINEER

Objective

When writing an electrical engineer's objective for a resume, make sure to clearly state your career goals and highlight your relevant skills and experience. Keep the objective brief, no more than two sentences, and use specific language that emphasizes your expertise in the field of electrical engineering.

Brief description

May 20XX      **Honor Roll**  
Brief description

**Research  
experience**

If you are applying for a teaching position, you might want to list the teaching experience section before the research experience section. Highlight important accomplishments, skills, and projects using concise sentences, beginning with an action verb. Complete sentences are not necessary. Be consistent in your grammatical style.

## Teaching experience

When you list courses, include a brief description so that the course can be compared to a similar course at another university. You might want to include the typical number of students in the course as well as list your responsibilities such as developing course materials, lecturing, grading, developing the syllabus, etc. How you decide to list or group your courses, skills, teaching methods, roles, and responsibilities will depend on your amount of experience. The examples below are just a few ideas.

20XX-20XX      Name of University, Location  
Associate Professor, Department  
**Taught Name of Course, an undergraduate course averaging 120 students per semester, covering the following topics: topic, topic, topic**  
**Developed quizzes, exams, and homework**  
**Revised the syllabus to meet accreditation standards**  
**Coordinated grading and labs with a team of 4 teaching assistants**  
    **Doctoral students advised**  
    Name, "Thesis Title", Date Graduated  
    Name, "Thesis Title", Date Graduated  
    Name, "Thesis Title", Date Graduated  
  
    **Master's students advised**  
    Name, "Thesis Title", Date Graduated  
    Name, "Thesis Title", Date Graduated  
    Name, "Thesis Title", Date Graduated

20XX-20XX      Name of University, Location  
Teaching Assistant, Department  
**Highlight important projects, duties, skills, and responsibilities following a consistent grammatical style**

## Publications

List your publications in reverse chronological order. Use an acceptable reference format commonly used in your field. Group your publications into different categories if you have a sufficient number to do so.
